CLARY-SHY PARK: Farmers Market Shelter & Urban Agriculture Park

COMPLETED PROJECT - AERIAL VIEW

COMPLETED - VIEW FROM EAST

COMPLETED - VIEW FROM ARC

The Park Sales Tax approved in 2015 allocates \$400,000 to the Clary-Shy Park. City Council will review this plan to decide how to distribute these funds for maintenance of the ARC and initial funding for a Farmers Market Shelter & Urban Agriculture Park.

Parks and Recreation, along with the three organizations below, have partnered to form the "Friends of the Farm" to fundraise the remaining capital necessary to complete the project.
